

Rebecca Presents

Rebecca Presents invites you and your product/service to exhibit at The Spring Wedding Show 2010.

The Spring Wedding Show is going to be one of the largest Wedding Shows in the West-Midlands in 2010 with an expected footfall of over 2000.

Our Spring Wedding Show's inspired design means everything our customers need is available under one inspirational roof providing you with the perfect platform to maximise sales to your target audience.

Nothing replaces the power of face-to-face contact, which is especially crucial in the highly personal wedding market. Seeing, touching, feeling, tasting, smelling, trying on and trying out is essential to ensure your potential consumer samples the full experience offered by your product/service.

Pre-Show Promotion

Rebecca Presents will conduct various pre-Show promotions including:

- Our Website/Wedding Websites
- Direct Mail
- Adverts in Wedding Magazines/Newspapers
- Radio Campaigns with local radio stations
- Posters and roadside banners placed
- Internet advertising including: Google and You Tube
- 5000 quality flyer/invitations distributed

The continuing popularity of wedding shows is a factor of the ongoing need for couples planning their wedding to source and build trust with the suppliers who will help them make the most of their wedding day. From a business point of view, our Wedding Shows provide the most sharply targeted marketing opportunity available, with this unique benefit: these are occasions when you can represent your business, not only with your product, but with your greatest asset - you and your staff, in person.
